OIL & GAS PROPERTY SALE

Welcome to the Oil & Gas Journal Exchange Property Auction!

This oil and gas property auction will be held at 10 AM, Thursday December 6, 2001 at the Adam's Mark Hotel. It features properties for sale by ExxonMobil and the other fine sellers listed on the cover of this brochure.

Once again, registered bidders may bid either in person at the sale or via the Internet using the FlexBid process. Either way, bidders need to register prior to the sale and registration for each venue, either live or Internet, must be done separately. Detailed instructions for bidder registration are provided in this brochure. For questions, please contact Stephanye Johnson at 281 872-0400 or via email at sjohnson@ogjexchange.com.

It has been quite an interesting year in the oil and gas business. The high winter gas prices at the beginning of 2001 have been decreasing most of the year and oil prices have also decreased slightly throughout the year. The horrific events of September 11 caused commodity pricing to fall sharply in September with an uncertain outlook for the economic impact.

But, a few weeks later in early October, oil and gas prices rebounded well. The current view for both oil and gas is steady prices now and into the near term future.

The October rebound in pricing has seemed to add confidence to the transactions market for the near future. We noticed this at our October 24 auction in Tulsa, OK. Buyers and sellers being able to agree on the aspects of the properties, most importantly future price expectations, drive oil and gas property transactions. When the parties share similar views of future pricing, the likelihood of transactions occurring increases.

I want to thank all that read this note for their support of Oil & Gas Journal Exchange (OGJE). I first want to thank the sellers in this sale that have entrusted OGJE to manage the sale of their properties. We are always grateful for their business. I also want to thank those who are potential buyers of the properties. That is really anyone who reads this brochure and considers registering to bid. We sincerely hope you see properties of interest and choose to attend the auction or participate via the Internet. You are the market we serve and are invaluable to us.

Finally, I would like to thank the staff of Oil & Gas Journal Exchange, led by Carrie Calahan, General Manager of Auctions. She and her staff work tirelessly to prepare for and deliver these auctions. They strive to continuously improve every aspect of each auction. If you have not been to one of our recent auctions, we invite you to attend to see for yourself how well they are conducted.

As always, we are here to serve both buyers and sellers and I invite you to contact either Carrie (ccalahan@ogjexchange.com) at 281 872-0400 or me (bmarko@ogjexchange.com) at 281 876-2244. We want to be sure your needs are met.

In closing, I would like to thank everyone for his or her business in 2001 and wish everyone a very happy and very healthy holiday season. We are looking forward to an exciting year with all of you in 2002!

What is a Value Index Pricing™ Range?

VALUE INDEX PRICING–VIP™

Value Index Pricing™ is our system of indicating a price range for properties sold with a minimum bid. This is intended to give you a “ballpark” of a property’s minimum so you may quickly determine your level of interest and allocate your evaluation time more effectively.

A **VIP Range™** is listed with the minimum bid property. The range will have approximately a 40% difference from high to low which allows plenty of room for interpretation of values without the seller revealing their actual minimum price.

The Seller’s Minimum Bid: The number at the low end of the range is *not* the minimum bid. **The seller’s minimum bid will fall somewhere between the high and low end of the price range.**

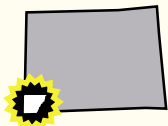

This email is not an offer to sell, or a solicitation to purchase, any security or any interest in oil and gas properties. It is only an invitation to register as a bidder at the advertised auction. Before any bids can be accepted on a property, each bidder will be asked to sign appropriate registration documentation showing that the bidder is a qualified investor under applicable securities laws.

VIP™ Data Packages are available for special order on each of these properties

Call OGJE at 281.872.0400 for current pricing of individual packages

The Well Data Order form on page 57 contains a special section for ordering VIP™ Data Packages

BIDDER TERMS & CONDITIONS TO PARTICIPATE IN THE OIL & GAS JOURNAL EXCHANGE™ LIVE AUCTION

TO BID ON PROPERTIES LISTED BY EXXONMOBIL, A SEPARATE BIDDER TERMS AND CONDITIONS IS REQUIRED IN ADDITION TO THESE SHOWN HEREIN.

These BIDDER TERMS AND CONDITIONS ("BIDDER Ts & Cs") are adopted by and between PennEnergy, Inc., acting through its Oil & Gas Journal Exchange division ("OGJE"), with offices at 16701 Greenspoint Park Drive, Suite 100, Houston, Texas 77060 and _____ whose address is _____ Telephone Number _____. "You" or "your" refers to the person signing below as the Bidder, and such person's employees, agents, consultants, and representatives. If the individual signing below as the Bidder has done so for his/her company, then "you" or "your" refers to such individual, to such company, and to such company's employees, agents, consultants, and representatives, singly and together. "We," "us," or "our" refers to OGJE.

In consideration of the promises and premises set out above and below, **you and we agree as follows:**

1. **STATEMENT REGARDING THE BIDDER Ts & Cs:** These BIDDER Ts & Cs and the Bid Forms govern the OIL & GAS JOURNAL EXCHANGE™ LIVE AUCTION (the "Live Auction"). By signing below, you acknowledge that you have read, understand, and accept these BIDDER Ts & Cs, and you undertake to perform your obligations set forth below.
2. **THE LIVE AUCTION WEB SITE:** OIL & GAS JOURNAL EXCHANGE™ is the name of the web site ("Site") where additional information about the Live Auction will be posted. The Site's uniform resource locator (URL) is www.ogjpropertyexchange.com. The Site and its domain, format, and content are our exclusive property and are not to be divulged, loaned, sold, sublicensed, published, disclosed, displayed, duplicated, used to create derivative works, copied, or otherwise reproduced, transferred, or used without our prior express, written permission. **The Site has been created for the sole purpose of marketing properties to those individuals and other legal entities (each a "Person") that (i) are actively engaged in the oil and gas business and can prove that they are knowledgeable and sophisticated in the oil and gas industry, or (ii) are qualified institutional investors under the applicable laws of their State. Any Person visiting the Site who cannot meet these qualifications, or who is visiting for any reason other than to evaluate any Property for potential bidding or to consider selling properties through OGJE, should leave the Site immediately.**
3. **SELLER AND PROPERTIES:** Each seller of oil and gas properties listed for sale at the Live Auction (each a "Property") has provided us the information pertaining to the Property with the express intent of determining fair market value and securing a sale. Either the seller ("Seller") or we reserve the right to reject any and all bids and/or to delete or withdraw any Property for any reason whatsoever until such time as the auctioneer has declared the Property sold as stated in Section 7 below. We claim no ownership or other rights to any Property.
4. **BIDDER AND RESPONSIBILITIES:** Only those Persons that are actively engaged in the oil and gas business or are qualified institutional investors are allowed to participate in the Live Auction. We and all Sellers rely on each Person to accurately and truthfully complete each bid form necessary to participate in the Live Auction. By completion of the bid forms or by making a bid on any Property, each Person acknowledges that such Person has waived any right to claim (and will be estopped from claiming) that such Person is not knowledgeable or sophisticated in the oil and gas business.
5. **BID FORMS:** Each Person must execute all applicable forms (the "Bid Forms") including the BIDDER Ts & Cs, BIDDER REGISTRATION FORM (plus any SUPPLEMENTAL BIDDER ACKNOWLEDGMENT applicable to your state of residence), and OPERATOR ACKNOWLEDGMENT FORM. Prior to the opening of the Live Auction, you also must have the BANK LETTER (or comparable financial instrument acceptable to us) in our hands and in force.
6. **BIDDER NUMBER:** Prior to bidding on any Property, Bidder must be issued a bidder number, which Bidder shall retain until the conclusion of the Live Auction. You understand and agree that your bidder number is personal to you, and that you are fully responsible for all activities that occur under your bidder number. You agree to notify us prior to each Live Auction of the names of the individual(s) you have authorized to bid on your account.
7. **BIDDING:** You must bid only for your own account. You may submit a bid at any time and as often as you desire during the Live Auction, until the auctioneer declares each Property sold. You understand and agree that each bid is firm, non-retractable, and non-cancelable by you except in exceptional circumstances. We have the right to disallow any bidder from bidding on a Property for any reason whatsoever. Each Property shall be sold to the highest Bidder as determined by the auctioneer, with no minimums (except as so noted), no buy-back, and no person bidding on behalf of the Seller. If you are awarded any Property, you will be responsible for completing the purchase of such Property under the terms of these BIDDER Ts & Cs and the applicable conveyance documents.
8. **[INTENTIONALLY LEFT BLANK.]**
9. **PAYMENT:** Prior to the opening of the Live Auction, you must furnish us a valid BANK LETTER (or comparable financial instrument acceptable to us) equal to your maximum bid on each Property, unless otherwise agreed by us in writing. The funds deposited with us under this Section shall be held by us as escrow agent and shall be disbursed as permitted by these BIDDER Ts & Cs. You must pay in full for each Property awarded on the day of the Live Auction prior to leaving the Live Auction site. Settlement may be made at any time during the Live Auction and an invoice will be made for the Buyer at such time. The invoice will include the identification of the Property purchased, the amount of the purchase price, the amount of the recording fee, and the amount of any applicable state and federal taxes or approval fees (collectively, the "Price"). You agree to give us full payment of the Price in immediately available funds in the form of (i) a cashier's check or a certified check on the final day of the Live Auction (the "Closing Date" of this Live Auction), or (ii) a wire-transfer (according to the wiring provisions stated in the invoice) no later than the close of bank business on the first banking day following the Closing Date of this Live Auction, failing which, you understand and agree that we may (beginning with the second (2nd) business day following the Closing Date of this Live Auction and on any day thereafter) draw on the BANK LETTER and/or otherwise exercise any and all recourse and rights that we may have against any security that you may have made available (or may make available) to us to secure your obligations to us and/or to the Seller. From and after our receipt of the funds representing the Price, such funds will be further disbursed as stated in Section 11 below on CONVEYANCE DOCUMENTS (ASSIGNMENTS). **ALL SALES ARE FINAL.**
10. **REMEDIES:** Should you violate any provision of these BIDDER Ts & Cs (other than Section 9 above) or any provision of any Bid Form, we shall give you notice and a reasonable time (not exceeding 72 hours) to cure such violation. If you fail to cure such violation within such time or if you violate Section 9 above, then we may without further notice resort to any remedy or monetary relief enumerated elsewhere within these BIDDER Ts & Cs (or within any Bid Form) or permitted in equity, by statute, or under the common law. As part of such remedies, we may immediately (i) cancel these BIDDER Ts & Cs and/or any Bid Form (in whole or in part) or have any of their violated provisions specifically enforced; (ii) rescind any sale in which you participated through the Live Auction; (iii) collect from you liquidated damages in an amount equal to 25% of the Price of any Property related to such violation; and (iv) prohibit you from participating in any future OGJE auction. You understand and agree that all remedies under these BIDDER Ts & Cs are cumulative. In the event of any action or proceeding to enforce any provision of these BIDDER Ts & Cs or any Bid Form, you agree that we shall be entitled to receive interest on any past due amounts in addition to any other relief obtained by us. Our rights under Section 9 above on PAYMENT may be exercised by us immediately upon failed payment without any notice to you and without our waiting for any cure of such failed payment. In enforcing either our right to collect liquidated damages under preceding clause (iii) and/or any of our other rights under this Section, we may draw on the BANK LETTER and/or otherwise exercise any and all recourse and rights that we may have against any security that may be available to us to secure your obligations to us and/or to the Seller.
11. **CONVEYANCE DOCUMENTS (ASSIGNMENTS):** We and Seller will use reasonable best efforts to make copies of applicable conveyance documents available prior to accepting bids in the Live Auction. You acknowledge and agree that, prior to submitting your first bid on any Property, you will have reviewed, understood, and accepted the Seller's form of conveyance documents for such Property, and you acknowledge that additional terms and conditions may exist in the conveyance documents that are not specifically addressed in these BIDDER Ts & Cs or any Bid Form. Subject to Section 17 below, upon receiving your payment in full for the Price of each such Property and prior to your leaving the Live Auction site, we agree to deliver to you for execution the conveyance documents for each Property you are awarded in the Live Auction. Once settlement has been completed, you agree to fully execute each conveyance document prior to your leaving the Live Auction site. All conveyance documents executed by a corporation shall also be attested by the corporate secretary and have the corporate seal affixed, if applicable. You understand and agree that we have the right to disburse any and all funds representing the Price from and after the Closing Date of this Live Auction in order to complete the settlement process with the Seller. We will then file the conveyance documents of record in the appropriate jurisdiction in your favor. Once the conveyance documents are recorded and returned to us, we will forward to you the original recorded conveyance documents. Each Property will only be recorded in the name entered in the LEGAL ENTITY NAME line within the BIDDER REGISTRATION FORM. No Property shall be divided between two or more bidders. You will be charged a non-refundable recording fee for each conveyance document to be recorded. Because the effective dates of transfer ("Effective Dates") will vary, you must examine each set of conveyance documents for the applicable Effective Date. In the event Seller elects a tax-deferred exchange under Internal Revenue Code §1031, as amended, you agree to reasonably accommodate Seller in effecting such exchange. Seller shall have the right to elect this tax-deferred exchange at any time prior to the opening of the Live Auction. If Seller elects to effect a tax-deferred exchange, you agree to execute additional documents, agreements, or instruments to effect the exchange, provided that you shall incur no unreasonable costs, expenses, fees, or liabilities as a result of or connected with the tax-deferred exchange. Your refusal to carry out the steps in the preceding sentence shall entitle us or the Seller the remedy of specific performance of these steps in addition to any other remedy available to us or to the Seller.
12. **SUCCESSION OF OPERATIONS:** You acknowledge that each Property is purchased subject to the terms and conditions of any applicable unitization, communitization, unit operating, and/or joint agreements ("Operating Agreements") applicable to such Property. Accordingly, you understand and agree that (i) your right to operate any Property may be subject to the election rights of third parties pursuant to the Operating Agreements and (ii) your purchase of any Property may or may not entitle you to succeed the Seller as operator of the Property. For any operated Property that you purchase, you must assume physical operations by the Effective Date, unless such failure is due to the Effective Date occurring earlier than the Closing Date of this Live Auction, or the non-expiration of any balloting period provided for in the Operating Agreement, or the non-expiration of the time period for exercising a preferential right to purchase, or a failure to obtain a third party's consent required for the assignment of such Property to you (Section 17).

- 13. BONDING REQUIREMENTS:** You agree to comply with any and all terms of Operating Agreements, operator qualifications, governmental regulations, including but not limited to specific bonding requirements, and other agreements required prior to bidding on any Property with operational rights or any Property containing governmental leases. Your failure to meet prior to the Closing Date of this Live Auction any operator and/or governmental qualifications to the Seller's and/or our satisfaction, shall entitle Seller and/or us to rescind the sale. You agree that in the event that you are unable to comply with such terms, agreements, and/or regulations, or if you fail to do so for any reason, you agree to return Property to Seller in the same condition as such Property was purchased at the Live Auction and to take all reasonable steps at no expense to us or to the Seller to immediately re-vest ownership of the Property in the Seller.
- 14. BIDDER REVENUE & LIABILITY:** It is our experience that the following provisions are often not adequately covered in the conveyance documents. As part of your due diligence, we encourage you to address and propose these provisions to the Seller, as you deem necessary. We cannot guarantee that any of the following provisions have been or will be incorporated into the conveyance documents, which shall in any event control the sale: proposed clause (i) all revenue, debt, production, production expenses, liens, encumbrances, and taxes incurred prior to the Effective Date shall be for the account of Seller; proposed clause (ii) all revenue, debt, production, taxes, and production expenses (including but not limited to any well plugging costs, surface clean up, and restoration costs) incurred from and after the Effective Date shall be for your account; proposed clause (iii) all ad valorem taxes, real property taxes, and similar obligations with respect to the tax period in which the Effective Date occurs (the "current tax period") shall be apportioned between Seller and you as of the Effective Date based on the immediately preceding tax period assessment; proposed clause (iv) you will succeed to any contractual rights and responsibilities of Seller including, but not limited to, joint operating agreements, gas purchase contracts, and title defects presently existing, if any; and proposed clause (v) **you assume the responsibility of notifying the proper parties in order to assume such rights of record.**
- 15. VERIFYING INTEREST:** You assume all responsibility for verifying prior to submitting your first bid in the Live Auction all interests being conveyed from Seller. Neither Seller nor we warrant or guarantee the accuracy of such interests. However, if you provide to Seller and to us written notification within 45 days following the date of recordation of the conveyance documents that the interest conveyed by the conveyance documents is less than the interest advertised at the Live Auction, we will provide reasonable assistance to you in resolving with Seller the points raised in your notice, in accordance with the conveyance documents. Additionally, we will use our reasonable best efforts to include the following provision in our agreement with each Seller:
- "Notwithstanding anything to the contrary in this Sales Agreement or in the conveyance documents, upon execution of this Sales Agreement, the conveyance documents shall be deemed to include the following warranty: If you are notified by the Buyer or us within 45 days from the date of recordation of the conveyance documents that the marketable interest conveyed by the conveyance documents is less than the interest reported at the Live Auction, you agree that you will within thirty (30) days following receipt of such notification cure the defect giving rise to such interest discrepancy to Buyer's reasonable satisfaction, or either: (i) rescind the sale of the Subject Property and refund the full purchase price upon the Buyer's re-conveyance of such Subject Property to you in the same condition in which it was purchased and on the same terms and conditions that it was originally conveyed to Buyer, or (ii) refund a proportionate share of the purchase price based on the difference between the interest advertised and the interest actually conveyed."
- We and you understand and agree that even if we are unsuccessful in including such provision in our agreement with the applicable Seller, we will still provide reasonable assistance to you in resolving with Seller the points raised in your notice, all in accordance with the conveyance documents. If a rescission of the sale occurs, you agree to return the Property to Seller in the same condition as such Property was purchased at the Live Auction and to take all reasonable steps to immediately re-vest ownership of the Property in the Seller.
- 16. NO REPRESENTATIONS OR WARRANTIES:** You understand and agree that any due diligence on any Property listed at the Live Auction is solely your responsibility. You understand, agree, and acknowledge that neither we nor Seller makes any representation or warranty, express or implied, on any Property listed at the Live Auction, including oil and/or gas production, marketable title, condition, quality, fitness for general or particular purpose, merchantability, or otherwise. Each Property is sold on an **AS-IS, WHERE IS** basis, without recourse and with all faults included. All descriptions of any Property in the Live Auction, including any information published in promotional material, have been supplied by Seller for the sole purpose of identifying such Property, and we have made no inquiries to verify such descriptions and/or information. Well data and other information provided by Seller or third parties is intended solely as a guide for your due diligence and is not a representation, warranty, or guaranty of any kind whatsoever. By signing below, you acknowledge that no statements or representations have been made to you that are inconsistent with these BIDDER TS & Cs.
- 17. PREFERENTIAL RIGHTS AND CONSENTS TO ASSIGN:** You acknowledge that you are knowledgeable regarding the reservation of preferential rights under certain agreements, and you acknowledge that you are aware of any Property available through this Live Auction under a reservation of preferential rights. You understand and agree that, should you be awarded the high bid on any Property, you may or may not be conveyed the Property depending upon the election or waiver of the holder of the preferential rights within the specified period of time after such holder's being notified of the high bid at the Live Auction. Notwithstanding any reservation of preferential rights, you shall make payment of the Price in full immediately following the Live Auction as stated in Section 9 above. We shall retain the funds representing the Price and the conveyance documents until the preferential right is either exercised or waived, or until the specified time period has elapsed without exercise. Full payment of the Price, which includes applicable taxes and recording fees, shall be refunded in full to you for any Property or portion thereof on which a preferential right is exercised. Should multiple portions of Subject Property be offered for sale in a lot in which less than all of such Subject Property is subject to a Preferential Right, then you agree to complete and submit to us no later than the Closing Date of this Live Auction an Allocation of Purchase Price form. You understand and agree that such form will provide the mechanism for allocating values between each Subject Property when Preferential Rights are exercised on less than all of the Subject Property sold in the lot.
- You acknowledge that you are knowledgeable regarding the requirement that a Seller obtain a third-party consent to assign under certain agreements, and you acknowledge that you are aware of any Property available through this Live Auction under such a requirement. You understand and agree that, should you be awarded the high bid on any Property, you may or may not be conveyed the Property depending upon the granting or refusing of a consent to assign by the holder of such consent rights within the specified period of time after such holder's being notified of the high bid at the Live Auction. Notwithstanding any reservation of consent rights, you shall make payment of the Price in full immediately following the Closing Date of this Live Auction as stated in Section 9 above. We shall retain the funds representing the Price and the conveyance documents until the consent is either granted or refused, or until the specified time period has elapsed without refusal. Full payment of the Price, which includes applicable taxes and recording fees, shall be refunded in full to you for any Property or portion thereof on which a consent to assign is not obtained.
- 18. GAS BALANCING REQUIREMENTS:** You understand the requirements of gas balancing and are fully aware of any Property available through this Live Auction that is either over- or under-produced. Should you purchase a Property that is over- or under-produced to the Seller's interest, you will be fully responsible for collecting or discharging the funds necessary to balance the account as to its acquired interest unless otherwise specified in the conveyance documents. However, if you provide written notification to us and to Seller within ninety (90) days of the Closing Date of this Live Auction that overproduction balances for gas associated with the Property exceed the amount reported in writing by the Seller by 10% or 10,000 MCF, whichever is greater, then we will provide reasonable assistance to you in resolving with Seller the points raised in your notice, all in accordance with the conveyance documents. In the event of a rescission of sale, you agree to return the Property to Seller in the same condition as such Property was purchased at the Live Auction and to take all reasonable steps to immediately re-vest ownership of the Property in the Seller.
- 19. RESALE OF PROPERTIES:** You acknowledge, represent, and warrant that you are not purchasing or attempting to purchase any Property with the intent to resell. If we and/or Seller discover that you purchased any Property for resale, we and/or Seller reserve the right to immediately rescind the transaction by written notice to you, whereupon we will be entitled to retain 25% of the Price as liquidated damages in addition to any other remedy available to us and/or to the Seller. In such event, you agree to immediately return such Property to the Seller in the same condition as such Property was purchased at the Live Auction and to take all reasonable steps at no expense to us or to the Seller to immediately re-vest ownership of the Property in the Seller, it being understood that upon notification of such rescission all conveyance documents shall be deemed null and void from the start as though never made.
- 20. YOU INDEMNIFY US:** You agree to indemnify and hold us, our shareholders, subsidiaries, affiliates, partners, members, directors, officers, managers, employees, agents, representatives, and any third parties (other than Seller) having a legal relationship with us, harmless from and against any and all causes of action, claims, losses, damages, injuries, liabilities, costs, and expenses of whatever kind or nature (collectively, "Claims"), including Claims of your shareholders, subsidiaries, affiliates, partners, members, directors, officers, managers, employees, agents, representatives, and any third parties (other than Seller) having a legal relationship with you, which: (a) arise subsequent to the Effective Date (even if some or all of the circumstances related to one or more Claims pre-date the Effective Date), insofar as such Claims arise out of or are based upon (i) any injury or death of anyone, or any loss of or damage to any property (including but not limited to the Property), or any impairment to the environment, (ii) any defect in title, any condition of the Property, or any use of or exposure to the Property, and/or (iii) any failure by you to pay taxes and/or expenses attributable to the Property or the sale of the Property; and/or (b) arise at any time, insofar as such Claims arise out of or are based upon (i) your breach of any provision of these BIDDER TS & Cs and/or any Bid Form, (ii) any breach of warranty by you of any kind whatsoever, (iii) any misrepresentation by you, and/or (iv) any matter directly or indirectly related to these BIDDER TS & Cs and/or to any Bid Form. You also agree to reimburse us for any legal or other expenses reasonably incurred in connection with investigating or defending any Claims. The foregoing indemnification shall extend upon the same terms and conditions to, and shall inure to the benefit of, each individual and/or legal entity, if any, at each tier who or which controls each indemnified party.
- 21. JURISDICTION:** These BIDDER TS & Cs and all Bid Forms shall be governed by, and be construed in accordance with, the laws of the State of Oklahoma (excluding rules on conflicts of law). For any dispute that may arise under these BIDDER TS & Cs or any Bid Form, you and we submit to the exclusive jurisdiction of the state and federal courts located in Tulsa, Oklahoma, and waive any jurisdictional, venue, immunity, or inconvenient forum objections to such courts. In any action to enforce these BIDDER TS & Cs and/or any other Bid Form, the prevailing party shall be entitled to reasonable costs and attorneys' fees in addition to any other relief obtained.
- 22. FURTHER ASSURANCES:** After the Closing Date of this Live Auction, you shall execute, acknowledge, and deliver to the Seller other such further instruments, and take such other actions, as may be reasonably necessary to carry out the provisions of these BIDDER TS & Cs.
